

CHRISTIAN COUNTY JAIL

PREA INVESTIGATIVE REPORT

Yearly Breakdown of PREA Investigations

2024

Overview

The Christian County Jail investigated 20 PREA-reportable incidents in the calendar year of 2024.

Nine (9) allegations were determined to be unfounded following investigative procedures.

Eleven (11) allegations of unsubstantiated harassment were alleged to have occurred, resulting in minor disciplinary action being taken.

Agency Efforts

The Christian County Jail continues to make every effort to educate staff, volunteers and inmates on PREA issues. Our reporting methods remain unchanged from previous years and all inmates are provided upon intake with PREA reporting information. The Christian County Jail has implemented updated screening tools, training and educational materials for both, employees and inmates.

The Christian County Jail, pursuant to Federal and State statutes, has scheduled to have our PREA Audit conducted in 2025.

Recommendations

The agency should maintain and possibly increase inmate education efforts in line with the agency's goals with regard to PREA. Staff training should continue to exceed recommended levels to further enhance the agency's ability to combat sexual abuse and harassment.
